

Girling AS – directions to Fishery from Fladbury village

Fishery location

The village of Fladbury is located between Evesham (3 miles) & Pershore (5 miles) & 15 minutes from the M5 motorway. After turning off the A44 towards Fladbury, the venue is a further 1 mile to Jubilee Bridge & visitors should turn left into the Car Park immediately after the Bridge. For those using a Sat-Nav, the post code WR10 3NG will get you close but look for Jubilee Bridge.

A very short walk up the lane from the car park (upstream) & you will see a round steel gate on the left. Through the gate, keep right around an earth mound & you will see the River at peg 2. Peg 1 is downstream, Peg 26 is the start of the lock cutting. At the end of the cutting is the picturesque Mill House & Weir.
