AGM January 25th 2022

As you are aware an AGM was not possible last year due to the lockdown. The 2022 AGM (a review of last season) was poorly attended but we accept that several members are unwell and many live quite a distance away.

Invitations were sent to all Full members and a follow up letter sent to all Full members that couldn't make the meeting. The AGM minutes and the 2022 Venue List were included within the "post AGM" letter.

The Balance sheet showed we were in the black last season even after losing out on peg fees. The Committee were re-elected for a further three years and due to the AGM low turnout Trophies will be supplied on the bank.

Remember that you can also find the AGM minutes and the Secretary's report on the website.

Club Championship

The AGM meeting voted to go ahead with the inaugural "Club Championship" this season, that's 9 matches with 3 matches on Canals, 3 matches on Pools and 3 matches at Fladbury. First match is 19/3/2022 at Porters Mill on the Droitwich Canal there's a map on the website.

Members are required to nominate themselves for the "Club Championship".

Matches Results in January 2022

Riddings Match Pool 15/1/2022;- When we got there the Pool was shrouded in Fog with a temperature of -2deg. Thankfully the pool was not frozen.

Result;- Brian Burton 12-13-0, Brian Coles 12-5-0, Glen Beavons 10-0-0.

Although bitter cold there were plenty of bites as the pool is teeming with Silvers, an ideal January venue.
